Sir,

I have the honour to inform you that the present house of the Hobli School at Bellur Nagamangala Taluk which is a large and flourishing institution is too small and requires both extension and repairs The school building being very old it is not desirable to spend money upon its repairs or extension I propose that it may be sold by auction through the Revenue authorities, and a house costing Rs 550 available at Bellur may be purchased for the accommodation of the Hobli school The house is recommended for purchase by Mr C Surya Narrain Rao, D P I Supervisor of Nagamangala in my opinion it is worth Rs 2000 The Deputy Inspector Mysore District North, also recommends the purchase of the same house I request that Government may be pleased to sanction at their earliest convenience Rs 550 for the purchase of the house the cost being met from the provision made for 'Buildings" in the Village School Fund Budget for the current official year 1901-1902,

so that the purchase may be effected before the end of the current official year

I have the honour to be,

Sir

Your most obedient servant
